Antony & Cleopatra
1993 161 min Videotape E5217
He was a man among men, one of the triumvirate who ruled the Roman world. She was a woman without equal, a mighty queen in a man's world. He was the warrior; she, the temptress. And neither could serve Caesar with the alacrity he demanded...because their ultimate devotion was to each other. Shakespeare's towering romantic tragedy—filled with alliances, rumors, battles, betrayals and death—comes to the screen in a strikingly dramatic staging. Among the production's skilled ensemble of players are RICHARD JOHNSON ("Khartoum") as Antony, a conqueror of armies but not of his own heart; JANET SUZMAN ("Nicholas and Alexandra") as Cleopatra, the bewitching "Serpent of the Nile"; and PATRICK STEWART ("Star Trek: The Next Generation") as Antony's crafty aide Enobarbus, who provides a running commentary on Antony's plunge from the heights. They and the entire cast from London's celebrated Royal Shakespeare Company fuel the Bard's remarkable work with the power and passion befitting its two legendary icons of love and war: Antony and Cleopatra. Into the Fire: American Women in the Spanish Civil War

In July, 1936 a right-wing military uprising tried to overthrow the new, legally elected, democratic government of Spain. Hitler and Mussolini quickly joined the fight in support of the rebel General Francisco Franco. In response, about eighty American women joined over 2000 of their countrymen in defiance of their government to volunteer for the Spanish Civil War, the first major battle against fascism. They were part of the International Brigade's 40,000 volunteers from fifty countries who came to fight for democracy in Spain. The film focuses on sixteen of these women.

Iran: Days of Crisis

On November 4, 1979, more than 60 U.S. officials are taken hostage in Iran, including American diplomat John Limbert. At home in the U.S., his Iranian wife Parvaneh joins the thousands of Americans who turn to their government for an answer. The nation is in an uproar and the President faces mounting unrest as he is forced to play a game without rules, negotiating with rebels in a country torn apart by terror. All routes are attempted: sanctions, secret negotiations, and abortive military missions; yet, the tension mounts as time passes and there are no results. For America, more than 60 hostages are at stake—the entire country is being held hostage, and an answer must be found to end the days of crisis.
